Italian Beef & Italian Sausage

A Little Tip from Billy's:

Order your Italian Beef Hot Ready To Go if you are eating right away. If not, order it cold, heat the Au Jus separately from the Beef, hot but not boiling.

If the Au Jus is too hot, then the beef will toughen up and look like elephant skin. If the Au Jus is not hot enough, then the Beef will stay pink and not be tender enough.

Famous Italian Beef by the Pound
